So it is great to see the results of our fundraising going towards different activities & resources for our students.

A few changes occurred in the P&F Exec roles earlier this year. Patrick stepped down due to work commitments, so Carmen & I were asked to step up and take the President's role.

This resulted in Carmel Ozanne stepping into Katherine's Vice President role.

Lynne has done an amazing job settling in and making the Treasurer's position her own.

Monica who is our Class Rep Coordinator, Facebook Admin & Communication extraordinaire has kept our community well informed & connected.

Anna our Secretary who delivers all our required documentation has done a great job, but needs to step down from this role. So thank you for everything Anna.

We thank you all. We know everyone is busy in their personal lives but your time, effort and care for our small community is truly appreciated.

Our wonderful class reps who are essential in communicating P&F information to their class parents. Thank you.

A special mention to two ladies who are departing OLMC at the end of term. Emma Tapp & Naomi Pryer. Our non official Fundraising Coordinators. They actually stepped down from this role at the end of last year but have continued in true community spirit to organise events again this year. Thank you so much ladies.

Also a big thank you to our own DJ Andrea. You always manage to keep the atmosphere going at any event.

We also acknowledge the sub committees who have helped us all in planning and organising all our events this year. We really Appreciate all the help we can get. We hope this support and more continues in 2020. Thank you.

A big thank you to Kevin, Julie, Danielle and all the OLMC staff. You are wonderful at supporting the P&F in our events and ideas. It's lovely to have such a great relationship to create the best environment for our students.

To all the departing families who have been active in the P&F over the years, thank you for all you support.

We wish everyone a safe Christmas and hope you get time to relax and refresh for another successful year next year.
