SCHOOL FEE SETTING & COLLECTION POLICY

RATIONALE

The Catholic Education Commission of Western Australia (CECWA) has a responsibility to make a Catholic education available to all Catholic students whose parents seek a Catholic education for them, insofar as this is possible, while embodying the Church's special preference for the poor and disadvantaged. Schools have a responsibility to communicate the financial constraints under which they operate to parents enrolling their children in Catholic schools. Parents are asked to make a commitment to support Catholic education financially by paying fees.

The Bishops of Western Australia have approved the collection of school fees from parents as a necessary contribution to the costs of delivering a Catholic education.
